## **Dr. Martin Luther King, Jr. Elementary School**

To Whom It May Concern,

It's my pleasure to provide this letter of recommendation for Mr. Brian Colton as he pursues a Special Education certification. As the principal of Dr. Martin Luther King, Jr. Elementary School, I've been privileged in having Mr. Colton on the autism teaching team as a long-term substitute. He was hired into the position by our Hiring Team once we knew it would be a year-long position.

Mr. Colton is a dedicated, caring, and conscientious teacher. He is always prepared and on-pace with his teaching team, as well as with district expectations. He displays a strong learning belief, an ability to successfully work alongside his colleagues, and an efficacious ability to work with both students and families.

Mr. Colton has successfully collaborated with his colleagues during Common Planning Times and Professional Learning Communities, took advantage of many professional development opportunities offered within the school, and participated on committees at MLK

It's this commitment to education and his students' well-being that makes Mr. Colton an educator who supports and inspires his students on a daily basis.

If you'd like to make any further inquiries, you can contact me at 456-9398 during regular school hours or email me at [Kristen.Lussier@ppsd.org](mailto:Kristen.Lussier@ppsd.org).

Sincerely,

Mrs. Kristen Lussier

Principal at Dr. Martin Luther King, Jr. Elementary School
